Dear Pasta Lovers,

Safety comes first, yours and ours. To prevent the COVID-19 spread, we are adopting the following strict rules:

WHAT WE ARE DOING:

On a daily basis we'll be taking the temperature of all our staff

Tables and chairs will be sanitised every 30 minutes

We are only taking card payments

WHAT YOU MUST DO:

All customers must use hand sanitiser at the hand sanitising station upon entering the restaurant

Order at the till before taking a seat
(ONLY AT OUR WESTFIELD BRANCH)

Preferably order via our website to avoid contact and queuing where possible. You can find a QRcode to link to our website at the till or simply go to www.pastaremoli.co.uk

Follow the floor signage to ensure you adhere with social distancing

It is strictly forbidden to move chairs and tables, ask our trained staff to assist you

Dispose of your rubbish in the bin provided
